

**HILMA** 

Inspired by Athena—the goddess of wisdom, arts, and strength—this new wallcovering collection embodies the power and creativity of visionary women who shaped the art world. From the raw emotion of jazz to the bold expressions of surrealism, each design carries a sense of wholeness and strength, much like the iconic women who influenced it. Drawing from the spirit of Nina Simone, Georgia O'Keeffe, Maria Callas, Frida Kahlo, and Yayoi Kusama, the Athena Collection translates their unique artistry into striking patterns. Whether it's the soulful intensity of Simone's music, O'Keeffe's organic forms, Callas' dramatic presence, Kahlo's vivid storytelling, or Kusama's avant-garde vision—each design in this collection tells a story. This is a celebration of art, music, and the timeless power of female creativity, woven into designs that speak with boldness and beauty.
