# AVRIL

"Our Cantari Collection demonstrates a modern twist on classical damasks, as well as introducing high quality, hand drawn illustrations which reference archived artworks. This collection is representative of a time honoured style akin to the Arts and Crafts Movement, taking inspiration from nature with delicately drawn florals, exacting detail, yet introducing striking, bold colours. Produced on a PVC-free non-woven backer, this collection of wallcoverings will make an impactful and attractive feature of any interior environment. Quintessentially Fardis."
