ABOUT FARDIS

Since 1967, international brand Fardis, has designed and supplied luxury wallpapers and fabrics to discerning clients. Originally inspired by the arts and crafts, Fardis is renowned for vibrancy of colours, exquisite designs and a high quality of finish and durability in wallpapers and fabrics.

Our high end textile wallpapers are produced with traditional Flemish craftsmanship and expertise at our Belgian facility – the oldest weaving mill in the country, established in 1848.

Today, as part of the Muraspec Group, all Fardis wallpaper is designed and manufactured in-house by experienced designers and technicians. Our products are used in the finest boutique spaces and luxurious homes across the globe.
